

# 5 WAYS TO HELP YOUR CHILD'S STUDY ABROAD DREAM

1. Resist the urge to do everything for your child, and empower him or her to own the process.
2. Ask questions to know what your child wants to study, and why.
3. Remind your child about key deadlines.
4. Prepare your financial documents for fees and the visa application.
5. Maintain effective communications with your child when he or she is abroad.
